## **Mechanical & Plumbing Engineer / Designer**

Looking for multiple candidates with experience ranging from drafting level mechanical / plumbing designers to senior level mechanical engineers to manage production of full mechanical and plumbing contract documents.

### **Primary Position Duties:**

- Conduct mechanical and plumbing system inspections to document existing systems.
- Perform load calculations to determine required HVAC equipment sizes required for various types of commercial and industrial projects.
- Select HVAC equipment, design ductwork and air distribution.
- Coordinate equipment power requirements with electrical engineers.
- Communicate as needed with architects & contractors.
- Support multiple projects with various deadlines simultaneously.
- Senior mechanical engineers capable of conducting construction visits to verify projects are being constructed as designed.
- Typical projects: Office spaces, retail, restaurants, medical offices, surgery centers, hotels, car dealerships, warehouses, churches.

### **Position Requirements:**

- Experience with either plumbing and HVAC design is required.
- Experience with industrial, military, federal and/or healthcare projects are a plus.
- Fire protection design experience is a plus.
- Project management is a plus but not required.
- Licensed PE is a plus but not required.
- 3+ years of experience.
- ACAD and REVIT experience is a must.
- Experience providing HVAC and Plumbing design for architectural building design clients.
- Be proficient in written and oral communication in English Authorized to work in the United States
- Pre-employment Drug Test and Background Check
- Valid Driver's License
- Employer is an E-Verify Participant

Send cover letter, resume and salary requirements in a WORD or PDF attachment to [info@westside-engineering.com](mailto:info@westside-engineering.com).

References & portfolio are recommended. Please type "Mechanical and Plumbing Engineer/Designer" in the subject line of the email. Salary commensurate with education and experience.
